I'm just about to try to get back on the road, been sidelined by the ice. RICT mtg is scheduled for 11, PK will handle, and I hope to be in by then, too. PK, it would be great if we could connect w/ WVDHHR before RICT mtg, if possible. Also, Jon sent a note that he's on his way in, FYI. Bill, don't try to come in. If we need to, we can connect b phone.--V

Vicky – I am sure Walt is very busy but at some point we would need to check in with him? Watching CNN and interviews – the WV Emergency management person interviewed is reporting the spill was less than expected – 5000gallons? You are probably getting much better info from through rict

Thanks, this looks like a terrific coincidence. I think the treatment info will be helpful to help us explain situation to others. (was WV American on your call Wed?)--V

They are one of my systems. Should we reach out. I have direct connections.

Ex. 4 - CBI

I have her cell info in my folder on my visitor chair. If not Sara Kinslow took the folder.

That folder may have distribution system map.

I just heard about an emergency declaration by WV Governor due to chemical spill that is affecting drinking water sources.
